# MASTER'S REPORT

What a year 2020 has been. My hope that we would all be free of COVID restrictions and back ringing was sadly far from correct, and we spent little of 2020 doing any real ringing. There will be many of us who have lost a family member or friend from the virus and my deepest sympathies go out to you. We continue to be grateful to the NHS and key workers for all the work and sacrifices they made in looking after the country and caring for the sick.

Despite the lack of ringing, there have been a lot of activities going on during the year. To highlight a few:

- We were the first ringing society to hold a virtual AGM, and many other societies followed our lead and looked to us on how it could be done! We will have held our second virtual AGM by the time you have read this.
- Towers have continued to meet virtually to keep the community and friendships together.
- Many have been active on virtual ringing platforms – Ringing Room and Ding – and significant improvements and achievements have been made, and we hope that some of it can translate back into the towers.
- On-line Membership: We have introduced an on-line membership system – MemberMojo - which doubles up as our email communication system, having lost the Yahoo email groups in Dec 2020. You have embraced this change, for which I thank you, and in less than 4 months over 2/3rds of the membership have registered. We have more work to do but we hope this system will benefit the Association for many years to come in terms of communication, collection of membership fees (starting in 2022) and understanding the demographics of our membership. I would especially like to thank John Coatsworth and Martin Crick for leading the development of this system.

So, what does the coming year hold for us? We will certainly have lost some of our members and, with us not having been able to recruit and train new ringers, there will be fewer ringers at most towers and some bands may struggle to continue. However, this is a challenge that we must all face, as many similar organisations around the country will also be facing. We have created a Recovery Group that is developing a plan, using the great work the CCCBR and ART have been doing, on what we can do as an Association to ensure we continue to ring at our towers. We will need the enthusiasm and contribution from all our members, and work together as individuals, bands and districts to make our future a success. More details of the plan will be communicated in due course; please do look out for it and get involved.

I would like to thank all tower, district and Association leaders and members for your hard work and dedication in such a difficult year, and wish you all, all the best for the road ahead.

**Noel Gibbin**

# PROGRAMME FOR 2021/2022

## Association and District Events:

Due to ringing restriction because of COVID, many regular activities will not be able to be held, or details finalised. As we come out of these restrictions, and the Ringing Recovery Plan is put into action, more events will be confirmed and organised by the Association, Districts, the Training committee and other groups. Please see the events calendar on the Association website for details of events

## **INSURANCE**

All members of The Surrey Association of Church Bell Ringers are insured with Ecclesiastical Insurance Group for Public Liability Insurance in the sum of £1,000,000. The full policy document can be inspected at any time by contacting the General Secretary. In all cases of potential claims, the General Secretary should be contacted as soon as possible. Under this policy, claims will only succeed if negligence is proven. Some household contents policies provide similar cover.

No personal accident insurance cover is held by the Association on behalf of its members. If the potential occurrence of accidents is a cause for concern, members should take out their own personal accident insurance.

If you are engaged in a major restoration or installation or have any queries regarding insurance cover, please contact the General Secretary for further information in the first instance.

## MEMBERSHIP LISTS

(L) after a member's name indicates Honorary Life Membership of the Association.

**C** indicates the tower's main correspondent to which general enquiries and requests for outings etc. should be directed. **A** is included in case people cannot reach the first contact and want to check this week's practice is still on or the time of Sunday ringing. **S** the tower's steeplekeeper

Postcodes are given for the churches to assist Sat Nav users. Occasionally they may not be the church itself (where post is not usually delivered) but the nearest building instead. Also given are the Ordnance Survey grid reference. Finally, after "///", are the *what3words* reference. The *what3words* algorithm takes complex GPS coordinates and converts them into unique 3 word addresses. It means anyone can talk about anywhere with 3 simple words.

# FELLOWSHIP GRANTS

One of the objectives of the Association is stated as:

“to promote fellowship and harmony among bellringers generally including organising social meetings and making gifts on behalf of the Association and to promote goodwill and understanding between bellringers and the general public;”

The Association will make funds available to local bands of ringers to support initiatives that achieve the purpose of the objective.

For example this might include (but is not limited to):

- Holding social events and outings
- Improvement of ringing chambers
- Installation of belfry cameras and monitors visible to the public
- Production of local publicity material
- Gifts for individuals whose contribution to local ringing is worthy of recognition by the association
- Expenses for attendance at national events where the Association would not otherwise be represented such as the Ringing World National Youth Contest striking competition

Grants would not be awarded for:

- Any belfry maintenance or restoration work that would normally be considered for a grant from the BRF
- Any training or associated activity that would normally be considered by the Training Group

## Guidelines

1. Bands of ringers within the Association may apply for a Fellowship Grant not exceeding £200 in any one year.
2. The amount awarded for a Fellowship Grant will be no more than 50% of the total expected cost of the initiative.
3. Grants will be funded from the General Funds of the Association.
4. The total value of grants made in any calendar year will be capped at an amount agreed from time to time by the General Committee. The limit is currently £2,000.
5. Applications for Fellowship Grants should be made to the General Secretary and sponsored by at least two other current members of the General Committee.
6. Provided the sponsors and the General Secretary all agree the application achieves the objective and meets the conditions of a Fellowship Grant it shall be awarded immediately.
7. If no such agreement exists the Grant shall be referred to the General Master whose decision shall be final.
8. At least once a year the General Committee will discuss the Fellowship Grants awarded and revise its guidance for future grants if it is thought necessary.
9. Details of Fellowship Grants awarded during each year will be published in the Annual Report.

## No Grants Paid in 2020

.

# GENERAL DATA PROTECTION REGULATIONS

Under the provisions of the above Regulations, members of the Association are advised that the membership records are kept about them for the purpose of administration of the Association. They are not made available to anyone for commercial purposes - and anyone who obtains these details is expressly forbidden for using any information given here for such purposes.

If anyone requires their details to be omitted from future editions or to inspect these records, please contact the General Secretary.

## GENERAL SECRETARY AND TREASURER REPORT

With a full programme of events planned for 2020, January and February saw the District meetings being well attended and with ringing at Holy Trinity Wandsworth and St. Mary Magdalene, Reigate. The peal weekend in mid-February recorded three successful peals and that concluded the year as far as organized ringing events.

Only one other peal was rung during the year, this being the week before the peal weekend. Congratulations to Melanie Powell, Loretto Puckey, Linda Aldroish, Russell King and George Hart on achieving their first peal in 2020. Also to Phil Ridley for a first as conductor.

Similarly, the training programme as planned was severely cut to just two events but both were well received and well attended.

Fortunately, with lots of planning and practice, we continued with the AGM as a virtual meeting. This proved a success with some 60 members attending. The usual distribution of the Annual Report at the AGM also meant we had to rethink the organization of another traditional procedure. By providing an online copy and offering a printed copy on request greatly reduced production costs This will be continued for future years.

There were a few committee members changes in 2020, Caroline Prescott stood down as Northern District master and unfortunately no replacement was forthcoming, although we now await the election the new Master, Pam Donovan. Caroline continues in her role as Youth Leader. General Officer changes were Kate Flavell taking on the role of Assistant Secretary from Milica Reardon and Ian Griffiths following Martin Crick as Training Officer. Thanks to Caroline, Milica and Martin for the commitment and contribution they gave to the Association.

The General fund account balance increased due to less expenditure rather than receiving more income. Libby's legacy provided a contribution to the Oxted simulator.

The Bell Restoration Fund has continued to increase although income was less than 50% of contributions received in 2019. There were no grants made in 2020. Malcolm's full account is included later in the report.

In response to the Covid situation communication took on a new slant and the use of online media became more important. Also, we saw the demise of the Yahoo group email service and the launching of MemberMojo which is proving to be a great success.

With the lack of district and association events our main social event during the year was the Christmas meetup which included a quiz. This was a popular and welcomed event.

Membership numbers dropped during the year, 579 in total with the split of 309 to Northern district and 270 for Southern however we did welcome several new members..

During the year we learned with sadness of the death of the following members:- Ron Diserens, Margaret Lewis, Doug Weeks, Geoff Foster, Eric Callow, Bill Taylor and Malcolm Pitstow.

We look forward to regular ringing again in mid-2021.

**Ann Beirne**

# NORTHERN DISTRICT REPORT

The 2020 Northern District ADM was held at West Hill (Holy Trinity, Wandsworth) on January 18th. The meeting was attended by some 50+ ringers and the West Hill ringers laid on a marvellous hot chilli con carne tea for everybody. The eight bells were rung to a variety of methods and learners were given plenty of opportunities to practise plain hunt and call changes.

We were unable to elect a Master at this meeting, but a small committee comprising Russell King, Richard Harris, David Whitehead, Wendy Archibald and Paul Flavell were elected. We are grateful to everybody for their on-going contribution to the Northern District in these strange times.

David Whitehead ran a well-attended district practice at Beddington in February aimed at giving learners the opportunity to ring changes on 9 and 10 bells.

8 bell practices were held at Carshalton and 12 bell practices held at South Croydon in January and February. The ND committee last met in person on 13 February.

Thereafter all ringing activities were curtailed by the Covid lockdown in March. A few towers rang socially distanced bells between the lockdowns in August and September but ringing as we know it ceased in March.

Some ND towers have started 'Ringing Room' practices and have regular Zoom calls. Ringing Room has definitely helped learners progress, and some learners are ringing changes they had not yet achieved in the tower. This has the benefit of keeping the learners interested and bands together and communicating.

2020 was a strange year for all of us and extremely damaging for bellringing and some ringers may not feel able to return when we can. It is not possible to ring or train new learners whilst social distancing is in place, and at the time of writing, we have no idea when ringing or training could recommence.

The General Committee are working on a recovery plan and will utilise work by the Central Council and ART to roll out a recruitment and training plan when it is possible to do so. ART are running online courses on Ringing Room, Handbells, Recruitment and Training, Leadership in Ringing, and the Association will make use of these as well.

At the time of writing, I am pleased to report that Pam Donovan has volunteered to become the Northern District Master from May 2021 and I am sure she will organise us to get ringing going again in the Northern District.

# SOUTHERN DISTRICT REPORT

As you all know, not much has happened this year! We have been locked out of our ringing rooms and have had to keep hoping that things will get better. There was one first quarter rung before the first lockdown however, congratulations to Helen Flanagan, a ringer from my own tower, Dorking.

I hope that things have gone well with you in the lockdowns but, if my tower is an example, we have lost about 25% of our ringers - 1 death and 3 ringers have moved away. Obviously, we have had no recruits.

Although we haven't been able to ring, some of our committee members have been working on improving communication between the members and towers etc. I would like to thank them because ever since I was elected I have always felt communication was a weakness. I hope that you all have had information about our new contact methods. *If not, please visit the website – [surreybellringers.org.uk](http://surreybellringers.org.uk) and follow the links to register with MemberMojo. There will be a presentation on this in Any Other Business at the end of the meeting.* It is designed to enable information to be easily passed onto members and therefore some of the things I will mention will be easy to access.

I therefore would like to try and make the Surrey Association more able to help towers by setting up a system where towers and or ringers can ask for help - from learning to handle a bell to learning methods. Obviously, we were doing this before the outbreak of Covid – 19 but I was always worried whether ringers were fully aware of what the association puts on.

I know that ringing is an enjoyable challenge, is a useful gentle cardiovascular exercise and provides a social circle – All this has been stopped; yet, when the time comes, I hope to arrange regular monthly ringing. We have also arranged 2 full day outings (Summer and Winter) again allowing for time to socialise as well as ring.

And now for something new. When I heard about Ringing Room – I was not really interested in it. But, as a teacher, I realized that it was a very useful tool in learning to ring methods and beginning to understand what they were trying to do. Ringing Room practices allow far more concentrated ringing and we have already discussed setting up a Surrey Association Ringing Room practice.

Please look out for the return of ringing and most importantly please contribute to the ideas that we can use to help your tower, the members of your tower and begin to rebuild our membership.

## BELFRY REPAIR FUND

The Belfry Repair Fund begins 2021 like the rest of the economy (we hope) – a coiled spring of potential. The last year has seen income pared down by circumstances, but also a complete lack of disbursement, no doubt due to a lack of possible repair activity.

Gift-aided donations were almost exactly half their 2019 figure. Tower and PCC donations fell further. There was no Brockham Bonfire and deposit account interest is thought to have been negligible. Apart from our regular standing-order donations, the irreducible core has been the Numbers Club, which is reaching levels of participation that may soon require outlay on further infrastructure (new balls). As well as continuing to increase its contribution to the fund, the Numbers Club has indirectly boosted the level of irregular donations – from winners who have felt sufficiently lucky to share their good fortune. I should point out that such generosity is not expected of participants, the fund's income stream from this source already being quite acceptable (as per the established formula).

The main interest in possible disbursements from the fund is currently from Croydon Minster, who are having a thorough refurbishment of essential ringing equipment (frame, pulleys, gudgeons, etc.). However, completion has been held up in the last year.

The net result of these developments is that the value of the fund has grown by almost the same amount as it did in 2019, ending roughly £2,000 larger at just over £21,000. Some £15,000 of this is held on deposit and the rest is in the Barclays current account.

During the year, the committee has been augmented by Simon (Sid) Bensberg whose support is most welcome. Kate Wills has been working at generating clothing sales in difficult circumstances, which will bring financial benefits to the fund in 2021. Gail Terry and Russell King have shared responsibility for staging Numbers Club draws in a visibly authentic manner. Special thanks are due, as always, to Jill Wigney, who continues to undertake the detailed administration of the Numbers Club. Finally, thank you to all our regular donors and participants.

Donations were received during the year from the tower of Kingston Upon Thames and the PCC of St John's, Egham.

# TRAINING GROUP REPORT

2020 started with a full Training Programme planned. In March however Covid 19 struck and the programme and all ringing was stopped. Although restrictions were eased slightly during the summer months there remained a need to Socially Distance effectively preventing people getting together. All planned training events were cancelled.

The events run in the 2020 programme were:

February	Calling "Call Changes"
May	How to Learn Methods (Zoom)

Martin Crick stood down from Training Officer at the 2020 AGM. Martin achieved a most significant enhancement to the organisation of the Training Group and its website. Ian Griffiths was appointed as his successor.

Due to Covid 19 preventing gatherings the Training Group had few meetings throughout the year but those held were virtual meetings held using Zoom and focussed on returning to ring. Towards the end of the year the Association undertook a survey of all Association Towers to establish their requirements on returning to ring. The results of this will form the basic plan of future training events which is expected to be put in place in 2021 when Covid restrictions are lifted. These plans will focus on Returning to Ringing and provide confidence to Association members to ring after a long period of not being able to. The plan will include the restarting of 'Focussed Ringing Sessions' introduced on the 'Southern District' by Paul Beeken and extension of these sessions to the 'Northern District'. With the success of these Focussed Ringing Sessions the value and future of Training Day's is being explored by the Training Group. The 'Restarting' plans will also include assistance that can be provided by the Association with recruitment and training new ringers.

Several training sessions using Ringing Room and other internet services have been arranged. These have proved successful and many Association members have joined in with these sessions.

# SIMULATORS

Simulators for ringing – why would you want to do that when the real things are just hanging around waiting for you?

The Coronavirus situation is a good example of why the modern simulators are so useful. As a direct result of the lockdown, one of the latest entrants to simulators, or virtual ringing, is Ringing Room ([www.ringingroom.com](http://www.ringingroom.com)) which allows groups of up to 16 to join a virtual ringing group and ring together. It has helped many towers and groups of ringers to keep their hand in, but also gives the opportunity, particularly for the less experienced ringers, to learn methods without the need for worrying about handling their bell. It is hoped that some of what is learnt will translate back into the tower and that there may be a place for it in the future even when permitted to ring real bells.

Many of the currently available systems can, as well as being directly linked to real bells, be used independently on a wide range of systems including mobile phones. No longer are we tied to our ropes, we are freed to explore methods in the comfort of our homes, on our way to work, and anywhere we want!

The bells, other than the one we're trying to ring, never go wrong and always strike at the right time allowing the learner to focus on their own mistakes. They don't get bored or frustrated and they don't shout at us which allows us to try, try and try again and then again, until we're satisfied or need a break. Then they're ready the next time we want to practice.

Good ringing requires a combination of rhythmic, aural and visual skills however when learning many of us rely heavily of visual clues e.g. movement of the other ropes (ropesight). Whilst extremely useful this leads to less accurate ringing as it doesn't always accurately reflect the timing of striking). The non-Tower simulators focus us on learning Methods, touches, rhythm, listening all of which can help with improving striking, some will also simulate the delay between “pulling” and the bell sounding which further improves the timing aspect and further focuses on the listening aspect.

There are a range of skills needed by bellringers and most, but not all, are improved using simulators:

- Handling – the co-ordination of hands and arms, the accurate and consistent catching of ropes. A tower simulator will help here as the ringer is still using a real bell
- Listening/Timing – understanding when a bell strikes vs. when the rope is pulled as well as the relationship of the ringer's bell striking and when other bells strike.
- Dynamic handling – accurately controlling the bell during changes
- Methods – learning complex sequences of changes

Within the Association we have a growing number of towers with Simulators. If you want to know more or are interested in having a go do contact the correspondent at the relevant tower or join in at one of the events that might be organised at that tower.

## COMMUNICATIONS OFFICER REPORT - 2020

2020 was the year the ringing community went online, literally. Unable to meet and ring together in person local bands, Associations and Guilds and nationally we turned to the internet; to Zoom, to ringing room, to social media and to discover the wide variety of ringing resources that are online.

The Surrey Association responded to the first lockdown by sharing information and resources on our website and by encouraging people to remain connected by using Zoom and other online tools.

With an AGM in May we had to make some critical decisions very early in the first lockdown about how we would conduct the meeting and distribute the annual report. Online meetings have quickly become normalised but at the time these felt like weighty and important decisions. We were very much leading the way and the success of our first ever fully online AGM convinced many other Guilds and Associations to follow suit.

We published a lockdown edition of our newsletter in June but with the hoped for resumption of ringing in the Autumn not materialising we suspended the newsletter and have focussed on using email and social media to share information as it became available. Once ringing resumes we hope to continue publishing a newsletter but may well take the opportunity to review its format.

In the latter part of the year we made considerable progress with our project to move our membership administration online. This effort has been one of the most outstanding examples of teamwork I've experienced in my time on the General Committee and everyone involved has worked hard to deliver a significant change to the way we work as an Association, to the way we manage our members data and most importantly, I think, to the enhanced capability it provides for engaging with our members in the future.

This work proved particularly timely as Yahoo decided to discontinue its group email service in December. Our Yahoo groups have been the mainstay of our communications for best part of 20 years. Fortunately, we've been able to achieve a fairly smooth transition to new email groups hosted on the Member Mojo system. It was never quite clear exactly how many members were subscribed to the Yahoo groups as they were separately administered, had overlapping membership and contained many addresses that had been discarded or abandoned by their owners. For the record we now know we had 350 unique and active addresses in total subscribed to one or both of the Yahoo groups.

Our Surrey Association Facebook page thrives with over 260 followers and a reach far in excess of that. I am grateful to the continued efforts of Alan Cooke who helps administer this page. Facebook itself has been an important platform for Bellringers hosting many groups of which the largest has over 5200 members. The site has been a constant source of news, amusement and community for the many ringers that have used it throughout the pandemic.

With over 10 years on the General Committee, much of that spent leading efforts to communicate without members and the wider community I personally feel it is time to hand over the role of Communications Officer to someone new who can bring some fresh ideas and renewed enthusiasm to the role. I am therefore planning to step down at the AGM in 2021.

## YOUNG RINGERS REPORT

Surrey Strikers is the name given to the group of Young Ringers that meet (used to meet) once a month or so before lockdown. The group comprises of ringers from the Surrey Association but with a slight overlap into the Guildford Guild. The aim of the group is for young ringers from across the county to be able to meet, ring and get to know each other. As a group we do not teach the physical handling of bellringing, once an independent ringer all are welcome.

We have no fixed tower where we used to meet, but in recent times but seemed to settle on St. John's Caterham and Battersea, this of course may change moving forward later on in the year.

As a team have, we have entered the National Youth Striking Contest, as well as more local run competitions. We have had many successful outings, our most recent one organised by members of the group which was a valuable learning exercise for all concerned.

As with all ringing groups, we have been unable to meet together over the last 14 months or so, much to the frustration of many of in the group. My thanks go to Milica Reardon and Noel Gibbin who have had the group ringing in Ringing Room this year with some success despite IT issues (mainly mine!)

The National Youth contest is hoping to be run in some form on September 11<sup>th</sup> 2021 in Worcester.

I hope we will start up ringing meets again towards the end of June. Just in time for the summer months.

Keep your eye out for information regarding the group and when sessions will start again on the Surrey website.

If you are an adult ringer who would like to help in the group please get in touch. Please feel free to bring along young ringers in your tower to any of the sessions as we start to emerge!

## VIOLET POTTER AWARD FOR YOUNG RINGERS

Violet Potter was a ringer for over 60 years in Surrey, initially at St Peter, South Croydon and then St John, Caterham. In this time she was a great supporter of young ringers and went out of her way to encourage them. In her will, she left the Association a sum of money and the General Committee decided to start this award with that legacy. It is designed to provide a small goal for ringers who are not yet 18 years old to aim for and provide recognition for an achievement that is within their reach.

### Details

- Every member of the Association who has not yet reached their 18th birthday (at the time of ringing) is eligible for this.
- When they ring or they conduct their first peal or quarter peal (treble, tenor or inside), they will be offered the publication of their choice from the list below. This will be presented at the next suitable opportunity.
- Application must be made to the General Secretary within 3 months of the peal or the quarter peal.
- Limited funds that will be used until the legacy runs out.
- Only one award per person.

## Rules Regarding Association Peals

A peal can be recognised as having been rung for the Association provided that the majority of the band are members of the Association (e.g. on 8 bells 5 ringers must be members allowing for a maximum of 3 non-members to be in the band) and the composition meets the standard accepted by the CCCBR. We started the year with normal ringing and had quite successful Sunday and practice ringing, with a number of visitors coming to us.

The ringers' dinner was held on 7 February at the Spring Grove pub with 23 attendees. We were pleased to welcome Jonathan our rector and the churchwardens as our guests.

We rang four socially distanced bells between the lock downs in August and September and were very pleased that several ringers volunteered for this.

The Kingston ringers meet on Zoom every Wednesday evening and there is usually an excellent attendance. It is a good way of keeping in touch with everybody and catching up on the news.

Since June, a few of us have been holding a regular learners' session on Ringing Room, an online platform that allows you to ring individual bells in a team of ringers. The learners have made great progress and it has kept them interested.

At the time of writing we have no idea when ringing can resume but we will be working with the Association on a recruitment and training plan and also giving our learners refresher lessons!

Like most towers we were restricted by the various lock downs. Before the first of these we rang a quarter peal of Cambridge Minor with some of our regular Monday night supporters and, in February, a peal of Yorkshire Major to mark Michael Uphill's 60 years of ringing at Putney. We had a brief resurgence of Sunday ringing on alternate bells 2,4,6,8 in the summer before the 2nd lockdown commenced. We now await developments.

Ringling ceased at the end of March 2020 due to Covid 19 restrictions. The sixth bell is now tolled for Service from within the church and we look forward to being able to recommence ringing sometime in 2021.

One of our Training Bells that were reported on last year, now has a silhouette of a bell attached. It can be watched on CCTV by a beginner during the early stages of learning to handle a bell, to give a good idea of a bell's rotation, in relation to the movement of the rope.

With our large and well-ventilated ground floor ring, and with a risk assessment approved by our churchwardens, we safely rang during August and September, adhering to the 'rule of six', when required. Otherwise only a single bell was chimed for services and various appropriate occasions.

### BUCKLAND

In early Spring 2020, ringing in the tower was brought to an abrupt halt because of Covid 19. However we refused to remain downhearted and beaten. We established our band zoom meeting on a weekly basis using the ringing room with varying degrees of success. It allows us to ring but as importantly to stay together, connecting with each other so that when we do return, we do it seamlessly. Members of Betchworth tower join us as well. For those not on zoom, we maintained contact via traditional methods.

What a year! As with the whole ringing community we are sorry at not being able to ring for most of 2020. However, we have taken full advantage of the IT (Zoom and Ringing Room) and have been meeting up once or twice a week for socialising and ringing with our tower members and visitors. We have had great success with our progress on Ringing Room, with many 'Virtual' achievements: including first quarters for Elly, Ken A and Danae (in 2021), and quarters rung for VJ and Remembrance Day, and ringing Cambridge Minor, Major and Royal, and Grandsire up to Cinques. We hope some of the abilities will translate back into the tower, but might need more bells!

We were very sad to have lost two loyal ringers from our band, Vi Nightingale (11th Feb 2020) and Ken Tidy (20th Feb 2021). Both had been long time worshippers at St Johns, and faithful members of the choir and ringers. Ken was a Life member of the Association.

We look forward to returning to ring together in the tower with all our ringing friends, and using our new simulator, in the 2nd half of 2021.

### CATERHAM, ST MARY

How brilliant is RingingRoom?! Our band has met online every week since April and, with the help of Milica, our Ringing Master, we are all progressing well. However, putting all our newly acquired skills into practice on the end of a 'real' rope will be a challenge!

We rang half-muffled for Remembrance Day and also Carols at Christmas. We have even welcomed two new beginners who have never handled a bell yet – one of whom is now ringing inside to Plain Bob Doubles. One advantage of not having to go out on a cold Friday evening is that several of the band are able to enjoy ringing in onesies!!

## CHIPSTEAD

Despite what has happened this year we did manage some ringing activity. We rang at two weddings in March '20 and at several Sunday services. We also rang at all the Christmas services.

There were a few practice nights but with only the six ringers that we were allowed. Two of our ringers have declined to ring until the pandemic is over.

1	Mar	1280	Spliced Plain and Little Bob	Bill Hibbert

We normally ring for the main morning service (except 2nd Sunday) and in this year we have rung, occasionally, on fewer bells than usual, where restrictions allowed.

In 2020 there were 3 quarter peals and we rang for 1 wedding.

We also managed to toll a single bell for Remembrance Sunday and for a funeral.

Most members have embraced Ringing Room and practices have continued in that form.

With tower bell ringing suspended since spring 2020, the members of Epsom Common have kept in touch weekly, either in-person when this was permitted, or using online meetings.

We have made good use of Zoom and the excellent RingingRoom platform when we have not been able to meet physically, and used the tower's handbells when we have.

Whilst services were suspended over the summer, we met in the churchyard and had fun 'lapping' Plain Hunt with people, but when services resumed we rang outside prior to the service - mainly rounds, queens and some other combinations that are difficult or impossible on our tower bells.

We are glad to report that we have lost no members this year and all have been active in one way or another since the beginning of the COVID crisis.

## ESHER

2	Mar	1260	Double Oxford Bob Triples	Martin Turner
---	-----	------	---------------------------	---------------

We rang as normal for Sunday Service, funerals and practices until shut down in March.

Ringing started again in July with us ringing 4 bells only for 10 minutes - it was hardly a welcome to our new Rector who arrived at the start of lockdown - he is still waiting to hear all 8 bells!

We have rung 4 bells whenever it has been permitted between July and December.

Wednesday evening practices have continued in Ringing Room with ever increasing success and enjoyment.

## GODSTONE

Hopefully a unique year!

As soon as Lockdown #1 was announced we moved to Thursday evening Zooms. Initially this was purely social with some wonderful quizzes from Matthew, the most notable of which was 'Tittums' – questions alternating between Tits and Famous Toms.

We moved onto Ringing Room (RR) very quickly and it has been a godsend. It is also a great leveller. Those of us who were comfortable with bell control had not appreciated how much we used the inherent rhythm of church bells to keep the ringing going and found RR alien. Those who perhaps struggled more with controlling the mechanics whilst thinking about where to ring, blossomed in RR and with the extra RR sessions organised by VJ and/or Milica (ably supported by Simon Beirne), were soon ringing new methods reliably.

Katharine rang 5 quarters in RR in 2020 including one of Plain Bob Triples. In May a joint Godstone and Caterham St John's band rang the first 'tower bell' quarter in RR by a Surrey Association Band.

To accommodate the RR enthusiasts and the less enthusiastic we added a Saturday morning RR session and the Thursday session became an hour RR followed by social.

The 8th of May 2020 was the anniversary of the 100th peal on the 8 bells and David had organised a peal band. Instead, we marked the occasion with ringing on 12 in RR with old Godstone ringers in the band including Derek Harding in New Zealand and Martin Hatfield and Steve Lamb.

Come July the restrictions eased, and with the agreement of the Rector we restarted ringing for Sunday Services. As other towers will know this wasn't just a case of turning up. The bells had not been rung for several months so the bells and fittings were checked. Matthew and I completed a risk assessment and the ringers were issued with the CCCBR guidelines plus tower specific ones. It was important that no ringer felt pressurised to return to ringing as the risks were still very real. We found we could comply with all the guidelines by ringing the 1, 3, 5 and 7 for 15 minutes. We produced a rota of those who were comfortable to ring. Not all our ringers had wanted to be involved in the zoom/RR of the previous months and it was wonderful for them to be able to ring again in the tower.

We rang on Remembrance Sunday and then Lockdown #2 hit and we buckled down again. We are a close knit tower. Constant funny videos on Whatsapp and silly messages have accompanied us through the year.

As we look forward none of us will take for granted climbing the tower steps and ringing again.

## LIMPSFIELD

Like most towers we've not been able to do much ringing in 2020. However, four Limpsfield bells did ring out loud and clear over the Christmas period with grateful thanks to the Smith family, Andrew and three daughters, Lucy, Claire and Annabelle. When they came down from the tower on Christmas morning they were greeted by a round of applause from a small but grateful congregation.

Interestingly, in the wider village the greatest appreciation for the sound of the bells has been from villagers who aren't regular worshippers. ....If only they'd join us!

## LIMPSFIELD CHART

21	Jan	1272	Old Oxford Delight Minor	Paul Flavell
----	-----	------	--------------------------	--------------

## LINGFIELD

Like every other tower there was very little ringing in 2020. However, we did manage 15 minutes ringing (on 3 bells) before our weekly Sunday services in the summer between lockdowns. We also managed some chiming for services by 3 members of the same family during lockdown

## MERSTHAM

Covid has hollowed out Merstham's ringing year however there has been an upside - some members have thrived on Zoom/Ringing Room and made more progress on methods in weeks than in years in real life. A silver lining to a terrible time.

As a ground floor ring with lots of ventilation we could have rung safely during early days of the pandemic. When that closed in, we managed well with our hand bells with some previously non-method ringers suddenly finding they could ring methods on two bells. But in the severe later stages of Covid, the issue was moot and we can only look forward to better news.

Many ring bells to get away from computer screens, and yet Covid has pushed us to Ringing Room where some have flourished. Merstham has set up a breakout Ringing Room weekly practice where many who were previously not doing methods are now surging forward and overtaking method ringers on 'real' bells.

## NEWDIGATE

29 Feb 1320 Grandsire Doubles

Fraser Storie

Not a lot to report this year for obvious reasons. We did manage to ring on Sundays between the lockdowns, four bells for fifteen minutes, we also rang five bells for a wedding with a family of three ringing so we could keep to the social distancing guidance. Some of us also join Ockley and Capel on a Wednesday night for a social chat and ringing in ringing room which has been quite successful in getting learners to count their places. Thank you Sue for arranging these.

## OCKLEY

Ringing resumed after the first lockdown on 5 of the 6 bells due to 2 couples being able to ring the closer bells and leaving out the 4. Ringing was then suspended to allow central heating to be installed in the church, including a radiator in the ringing area, but unfortunately we have yet to experience the benefit. During the October 'rule of 6' we had a 15 minute Saturday practice to allow one of our ringers to propose to his long term partner and are looking forward to their wedding in June. The tenor was tolled 100 times on Remembrance Sunday for the hundredth anniversary of the burial of the unknown soldier at the Cenotaph and then tolled daily at 6pm through the rest of November for Prayer Month. There has been no ringing since, not even at Christmas due to a local outbreak of the Coronavirus. We have held weekly Zoom practices throughout and were in Ringing Room from early on. We look forward to a return to real bells soon, hopefully in time for our ringers' wedding.

## OUTWOOD

Outwood bells have been silent now for nearly 2 years, due not only to the pandemic, but to urgent repairs that were needed to the Tower itself. These repairs have now been completed, and after an inspection of the bells once restrictions are over, we look forward to ringing our 4 bells again.

## OXTED

2020 proved to be a year that started well but went downhill. St. Mary's was ringing for Sunday services, sharing practice nights with nearby towers and hosting a regular Association '2 weekly' simulator practice for Listening and Striking managed as part of a series of Southern District practices by Paul Beeken. The sessions were very well received and had already got a waiting list for new attendees. Then Covid 19 struck! Following the relaxation after the first lockdown a risk analysis was undertaken and it was determined that we could safely ring 3 of our 6 bells once per week. Consequently we rang for most Sunday morning services until the December lockdown. The highlight of the year was to ring for a wedding in December, already cancelled at least 3 times. Importing a family of 4 ringers enabled 5 bells to be rung.

2021 shows signs of a dim light at the end of a very long tunnel. We are optimistic that we will be ringing again within the next few months.

We normally ring once a month on the second Sunday for the Communion service and welcome visitors. However, please check with Tower Captain or Tower Correspondent first to confirm. In 2020 there were 4 quarter peals, hosted 2 practices and we rang for 2 weddings. We also managed to toll a single bell for VE Day and for the interment of the ashes of Sir Hugh Cubitt. Most members have embraced Ringing Room and practices have continued in that form.

## REDHILL

The first 10 weeks of 2020 were good, and we were all looking forward to our weekend in Norfolk at the end of March. That did not happen, of course, but we have rebooked for 2022. During lockdown we have met by Zoom every Thursday evening for chat and a lighthearted quiz, and we had a picnic on Redhill Common in August. Sunday ringing on four socially distance bells resumed when allowed in September, but at other times when there have been services in the church we have used the Ellacombe chiming apparatus.

## Quarter peals rung in Ringing Room 2020

The Ringing Room online platform for virtual ringing was launched in March 2020. It was built for change ringers to continue ringing with one another even when socially distanced. It was developed as a joint venture by Leland Paul Kusmer and Bryn Marie Reinstadler, both ringers in the Boston, Massachusetts area of America. The tower bell audio is provided by Bill Hibbert. With additional sound editing by Jack R Pease.

# SAFEGUARDING

As the Surrey Association of Church Bell Ringers we are committed to helping safeguard all of our members. We work in accordance with the national legal and procedural framework for safeguarding children and adults who may be vulnerable, in particular The House of Bishops' Safeguarding Policy 'Promoting a Safer Church'.

The care and protection of children, young people and vulnerable adults involved in ringing activities across the Surrey Association is the responsibility of all participants. Susan Gibbin, our Safeguarding lead is available to help shape our advice and guidance, linking closely with the CCCBR and the Southwark the Diocesan Safeguarding team to:

- signpost people to training
- provide links with key agencies who can help where and when safeguarding issues arise
- provide all those with leadership roles at Tower, District and Association level with advice on keeping themselves and their members safe.

This year has presented the association with new challenges with a move to online ringing events. Members are reminded that good safeguarding practice is as important as ever when using digital platforms. For more information please visit the Association website and notifications via MemberMojo <https://www.surreybellringers.org.uk/resources/safeguarding/>

## HOLDING A TOWER OPEN DAY?

You could borrow the display boards

We have two sets of display boards which towers are welcome to use for their own promotional events. These 3-panel sets are lightweight and designed for tabletop use.

They are full of colourful displays featuring ringing in The Surrey Association and designed to appeal to all age groups. Content can be varied to suit your promotion.

Look at the website [www.surreybellringers.org.uk](http://www.surreybellringers.org.uk) to view them and other promotional material.

To make a booking, email Trisha Hawkins on [towercaptain@stmarybarnes.org](mailto:towercaptain@stmarybarnes.org) for Northern District and for Southern District email Sue Dixon on [srsjdixon@btinternet.com](mailto:srsjdixon@btinternet.com)

## **ASSOCIATION RULES last updated: 11 May 2019**

### **TITLE**

- 1 The title of the Association shall be "The Surrey Association of Church Bell Ringers".

### **DEFINITIONS**

- 2 In these rules the following expressions shall have the following meanings:
  - a "the County" shall mean the County of Surrey as recognised in 1880;
  - b "Ordinary Resolution" and "Special Resolution" shall mean a motion passed by a simple majority and a three-quarters majority respectively of those members voting and entitled to vote at the meeting at which it is moved;
  - c reference to "meetings of the Association" and, where the context admits, to "the Association" shall mean "the Association in General Meeting" and shall not extend to meetings of a District;
  - d "the Council" shall mean the Central Council of Church Bell Ringers;
  - e words importing the masculine gender shall, where the context so admits, also import the feminine gender.

### **OBJECTS**

- 3 The objects of the Association shall be:
  - a to promote, advance, maintain and support the ringing of bells for services;
  - b the recognition of bellringers as church workers;
  - c to facilitate and assist in the instruction and practice of both the art and science of change-ringing;
  - d to institute schemes for, supply information as to, and to assist in, the provision, repair, maintenance or transfer of church bells and their fittings and necessary apparatus including equipment for sound control measures whether through the administration of the Belfry Repair Fund or otherwise;
  - e to promote fellowship and harmony among bellringers generally including organising social meetings and making gifts on behalf of the Association and to promote goodwill and understanding between bellringers and the general public;
  - f in construing and of the paragraphs (a) to (e) of this Rule, no paragraph shall be deemed to be predominant and no object shall be deemed to be subsidiary to another;
  - g to commission, print, publish, and distribute and/or sell, in any part of the world, literature relating to all or any of the above objects and to the history of bells and bellringing;
  - h to do all such other lawful things as are incidental or conducive to the attainment of any of the above objects and in particular (but without raising any loan save with the authority of a Special Resolution of the Association) to expend monies on or in furtherance of any of the above objects. Such monies may be expended on the authority of an Ordinary Resolution of the General Committee or (if part of the funds of a District) of its District Committee and in such case the members from time to time of such committees acting in good faith shall not be responsible for loss.

AREA

- 4 Pursuit of the objects shall be conducted usually within the County but shall not be limited thereto.
- 5 The County shall be divided into such number of Districts with such boundaries as the Association by Special Resolution shall decide from time to time.

TYPES OF MEMBERSHIP

- 6 The types of membership recognised by the Association are detailed in the table below:

Membership	Qualifying criteria	Subscription	Affiliation	Voting Rights*
<b>Resident Ringing Member</b>	A ringer (or lapsed ringer) resident in or ringing frequently for Sunday Service within the County and meeting one of the following criteria:	Annually renewable at the rate below		
Adult	An adult who does not fall under other Resident Ringer categories.	Full	District	Yes
Student	A young ringer who has not yet reached their 18th birthday at the 1st January or is still in full time education.  Note: Resident Ringing Members may be attached or unattached to a tower, but shall be affiliated to a District.	Student Concession	District	Yes
<b>Honorary Life Member</b>	Awarded on the achievement of thirty years as a Resident Ringing Member.  The total of thirty years membership does not need to be accumulated in a single continuous period.	Exempt	District or Association	Yes
<b>Non-Resident Ringing Member</b>	A ringer who is not resident and does not ring frequently for Sunday Service within the County.	Single payment on first joining as a member	Association	No

\* All Members eligible to vote shall receive a copy of the Association Annual Report.

## JOINING THE ASSOCIATION

- 7 (i) A new member satisfying the criteria for membership can join the Association on completion of a membership form with sponsor and on payment of the current year's subscription.
- (ii) All new members must agree to be bound by the Rules of the Association and have their application sponsored. Sponsors must have been a Resident Ringing Member of the Association for at least the preceding two calendar years, or be an Honorary Life Member.
- (iii) Resident Ringing Members shall be affiliated with the District in which they are resident or most frequently ring. New members eligible for more than one District may choose their affiliation by writing to the relevant District Secretary.
- (iv) Although common it is not necessary to be attached to a tower to be a member of the Association. Ringers who are unattached to a tower but otherwise qualify as a Resident Ringing Member may join the Association and choose their affiliation to a District.
- (v) An existing Resident Ringing Member may choose to change their District affiliation provided they qualify by residency or place of ringing by notifying, in writing, both District Secretaries.
- (vi) A ringer who is not resident in the County and is not a frequent Sunday Service ringer in the County may join as a Non-Resident Member, on completion of a membership form with sponsor and on payment of the subscription.

## SUBSCRIPTIONS

- 8 (i) The subscription and concession rates shall be kept under review by the General Committee and set by a Special Resolution of the Association for the following year.
- (ii) The methods of payment and collection of subscriptions shall be agreed by the General Committee and be appropriate to the type of membership, affiliation and processes available for collection at the time.
- (iii) The total subscription raised each year shall be shared between the Association and the Districts. The basis on which subscriptions are shared shall be determined by a Special Resolution of the General Committee.
- (iv) Annually renewable memberships shall be continuous with all subscriptions becoming due on 1st January each year.
- (v) The subscription of any annually renewable membership commencing on or after 1st October shall run to 31st December of the following year.
- (vi) A member resigning or being expelled before their subscription is paid shall not be liable for that year's subscription. Once paid no refunds shall be given for resigning or expelled members.

## CONDUCT OF MEMBERS

- 9 (i) Members eligible to vote may only do so in person at a meeting of the Association.
- (ii) Members with voting rights will be eligible to vote at all meetings of the Association and at meetings of the District to which they are affiliated. Honorary Life Members may vote at all meetings of the Association and at any District meeting regardless of their affiliation.

## LEAVING THE ASSOCIATION

10 Membership of the Association shall cease if a member dies, resigns, lapses or is expelled.

- (i) Resigns by notifying the District or General Secretary they no longer wish to be a member of the Association.
- (ii) Lapses by failing to pay their subscription renewal within 12 months of the date it became due.
- (iii) Expulsion on completion of the process for expulsion of a member (see below).
- (iv) A Resident Ringing Member who moves away from or ceases to ring within the County may transfer their membership to a Non-Resident Ringing Member upon notification, in writing, to the General Secretary or the appropriate District Secretary.

## EXPULSION OF A MEMBER

- 11 (i) The General Committee shall consider any case for expulsion of a member and may, after an Ordinary Resolution, invite a member to resign within a given time period.
- (ii) If no such resignation is received within the time given the General Secretary shall organise an Extraordinary meeting of the Association and propose a motion for Special Resolution at that meeting for the expulsion of the member.
  - (iii) The member has the right to be informed of any complaint against them and be invited to speak at any meeting where a proposal has been made to expel them.

## OFFICERS

- 12 The Association by Ordinary Resolution shall appoint any person as President of the Association for a term not exceeding five years. This rule shall not prevent any person being re-elected for a further term or terms of years.
- 13 An honorary life member may by Special Resolution of the Association be appointed a Vice-President of the Association to hold office for life. The Bishops of Southwark, Guildford, Croydon, Kingston-upon-Thames and Woolwich shall, ex-officio, be Vice-Presidents of the Association.
- 14 The Association annually by Ordinary Resolution shall appoint any person as Independent Examiner to independently examine the accounts of the Districts and of the Association. They may not hold an office which confers membership of the General Committee.
- 15 The Association shall be affiliated to the Council and Representatives shall be elected in accordance with the Council's constitution for the time being. The Association shall recognise and abide by the rulings of the Council and shall pay the reasonable travelling and incidental expenses of such Representatives in attending the meetings of the Council.
- 16 The General Officers (in order of seniority and their responsibilities) shall be a General Master (who shall, inter alia, be the Chairman at the business meetings of the Association and of the General Committee and shall organise ringing meetings of the Association), a General Secretary (who shall, inter alia, act as Treasurer of the Association, conduct all correspondence on behalf of the Association and the General Committee and maintain a register of members and their respective classes), an Assistant General Secretary (who shall, inter alia, take minutes of business meetings of the Association and the General Committee and perform all such other functions as the General Secretary may delegate to him from time to time), a Belfry Repair Fund Secretary (who shall, inter alia, coordinate the belfry repair activities of the Association including keeping accounts and compliance with the requirements of the Charity Commission), a Training Officer (who shall, inter alia, coordinate training within the Association), and a Communications Officer (who shall, inter alia, advise the General Committee on matters relating to member and public communication, edit the

Association's newsletter and coordinate the Association's online presence).

- 17 District Officers shall be a District Master, a District Secretary, an Assistant District Secretary (who shall perform the same functions for their District as the corresponding General Officers perform for the Association respectively) and three District Committee Members.
- 18 Only a resident ringing member or honorary life member is eligible as General Officer or District Officer. No member may be General Master for more than three consecutive years. A Resident Ringing Member is only eligible as a District Officer for the District to which they are affiliated for the time being.
- 19 No member may be elected to more than one General and one District post at any one time. Officers shall be elected in order of seniority. Newly elected officers come into office at the close of the meeting at which they are elected, save for a Master who comes into office immediately upon election.
- 20 The General Officers shall be elected annually by Ordinary Resolution at the Annual General Meeting. District Officers shall be elected annually by Ordinary Resolution at their District's Annual District Meeting. Casual vacancies among Officers may be filled by Ordinary Resolution of the relevant District Committee or, in the case of a General Officer, of the General Committee.

#### COMMITTEES

- 21 A District Committee shall consist of the District Officers for the District of whom three shall form a quorum. The General Committee shall consist of the members of all District Committees and the General Officers of whom seven shall form a quorum.
- 22 A Committee meeting shall be convened forthwith upon the request of any member thereof to the appropriate Secretary who shall give at least three days' notice of such meeting to all members of that Committee. The power of the Committee is unlimited within the Rules and objects of the Association. It may delegate such power to whom it thinks fit and may revoke such power provided that any such revocation shall have no effect until received by the delegate and shall be void in so far as it purports to be of retrospective effect.

## MEETINGS

- 23 The General Secretary and each District Secretary shall produce accounts annually to the Independent Examiner and seek the approval thereto of a meeting of the General Committee (and of the Annual General Meeting) and of the District Committee (and the Annual District Meeting) respectively.
- 24 The appropriate Committee shall arrange the times, dates and venues of all meetings of the District or of the Association and shall have power to alter such arrangements save that the date of the Annual General Meeting shall be held on a Saturday in May and an Annual District Meeting shall be held by each District on a Saturday in January or February.
- 25 An Extraordinary General Meeting of the Association or of a District shall be convened within 42 days of the receipt by the appropriate Secretary of the instruction of the appropriate Master, or of the written requests of at least 12 members (other than non-resident members) who shall in the case of such requests in respect of a District be attached to that District.
- 26 No business shall be transacted at a meeting of the Association or at an Annual District Meeting unless a quorum of members entitled to vote at such meeting is present. A quorum shall be twenty in the case of a meeting of the Association and ten in the case of an Annual District Meeting.
- 27 The resident ringing members and/or honorary life members frequenting a particular tower shall cause their District Secretary to be told of a tower correspondent to receive postal and/or email notices of meetings. All notices will also be placed on the Association's website. Accidental omission to give any (but not all) such notices shall not invalidate the meeting concerned.
- 28 At least 14 clear days' notice and 28 clear days' notice shall be given of Annual Meetings and Extraordinary General Meetings respectively.

## CONDUCT OF MEETINGS

- 29 Meetings shall be conducted in accordance with the law of England and Wales and the General Committee may prepare standing orders in accordance therewith for the guidance of chairmen.
- 30 If the appropriate master is at any time absent from a meeting it shall forthwith proceed by Ordinary Resolution to elect a member to act as chairman in the Master's absence. Such election is to be conducted by the appropriate Secretary or other member, on a show of hands.
- 31 Save as otherwise provided in these Rules, a proposal for a motion must be made in writing to reach the appropriate Secretary at least 28 clear days before the meeting at which such motion is to be voted upon. All motions require a seconder before being put to the meeting. Alterations, additions or deletions to the Rules or any matter directly concerning finance (save for the adoption of the accounts) may only be effected by Special Resolution. Notwithstanding the foregoing the meeting may by Special Resolution agree to discuss and to vote upon a motion received within less than the stipulated notice.
- 32 All motions for the election of Vice-Presidents, an Independent Examiner, Council Representatives and General Officers shall be proposed either orally at an Annual District Meeting or in accordance with the immediately preceding Rule. Motions for the election of District Officers shall be proposed either orally at the Nomination Meeting or in accordance with the immediately preceding Rule.
- 33 If no motion is proposed for the election of any member to an office (other than that of Vice-President) the chairman of the meeting in his discretion may accept the proposal of one or more motions for the election of members to that office notwithstanding the immediately preceding Rule.
- 34 If the motion for the election of an officer is contested, the resolution of the meeting shall be decided by secret ballot. The chairman shall appoint such tellers to conduct the ballot as are willing to do so and who shall, if possible, not be members of the Association. A motion proposed and seconded for the election of a member to an office for which no other member has been moved shall be declared duly carried by the chairman of the meeting without voting.
- 35 Any other business is to be restricted to discussion and the raising and answer of queries.
- 36 No notice need be given of motions for the adoption of minutes, reports or accounts.

## MISCELLANEOUS

- 37 A peal can be recognised as having been rung for the Association provided that the majority of the band are members of the Association (eg. on 8 bells 5 ringers must be members allowing for a maximum of 3 non-members to be in the band) and the composition meets the standard accepted by the CCCBR.
- 38 The Association by Special Resolution may dissolve and provide for the disposal of its net assets, provided always that except when such dissolution is with a view to reconstruction or amalgamation, the Belfry Repair Fund shall be administered by the Council.

## LIBRARY

- 39 The Association shall maintain a library and the General Committee shall be responsible for the annual appointment of a Librarian and instructing him in the proper administration of the Library and providing for the housing and adequate insurance of the Library.

## BELFRY REPAIR FUND

- 40 The Association shall hold a Belfry Repair Fund, to be administered by the General Committee through the Belfry Repair Fund Secretary. The Fund shall be registered as a charity. The General Committee shall have the same unrestricted power of investment of the Fund as if it were absolutely entitled thereto and when acting in good faith shall not be responsible for loss.
- 41 The General Committee may in its absolute discretion make a grant out of either the capital or income of the Belfry Repair Fund for or towards the cost of bells, their fittings or repairs thereto or any structural, mechanical or sound control work for the proper functioning of bells ringing full circle provided always that the bell or bells concerned are located within the County.
- 42 The Belfry Repair Fund Secretary shall maintain account of the Belfry Repair Fund distinguishing monies in the Fund from all other monies held in the name of the Association. Collections shall be taken for the Fund at every meeting of the Association and at every business meeting of the Districts, such monies as are collected shall be passed to the Belfry Repair Fund Secretary.

(Surrey Association Belfry Repair Fund: Registered Charity Number - 260561)

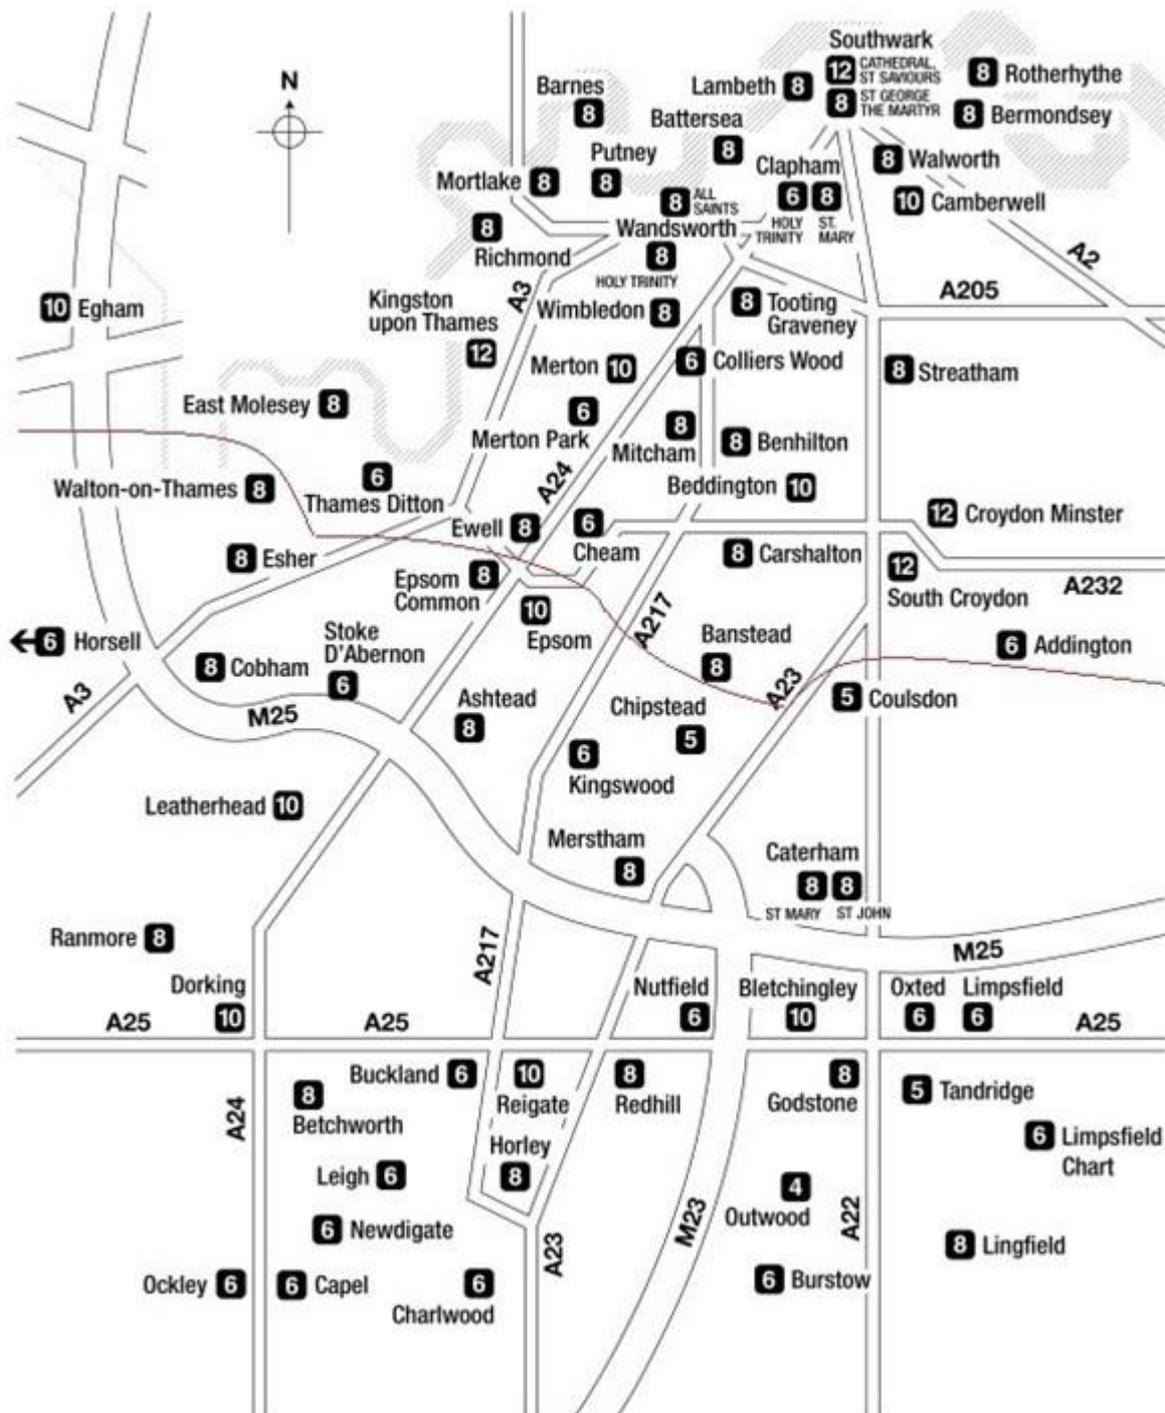

Note 1: 'Written notification' is deemed to include electronic communication such as emails, but not texts

Note 2: Rule 8iii - the share of the subscriptions is currently set as 60% Association: 40% Districts.
