

MemberMojo:

Membership System for
Surrey Association

Objectives

- Allow members to provide and update their contact details online
- Enhance communication to our members, including replacing the Yahoo email groups
- Ease the burden on our volunteer administrators, including collecting subscriptions
- Collect demographic information to inform our planning
- Ensure we are GDPR compliant

System selected is MemberMojo

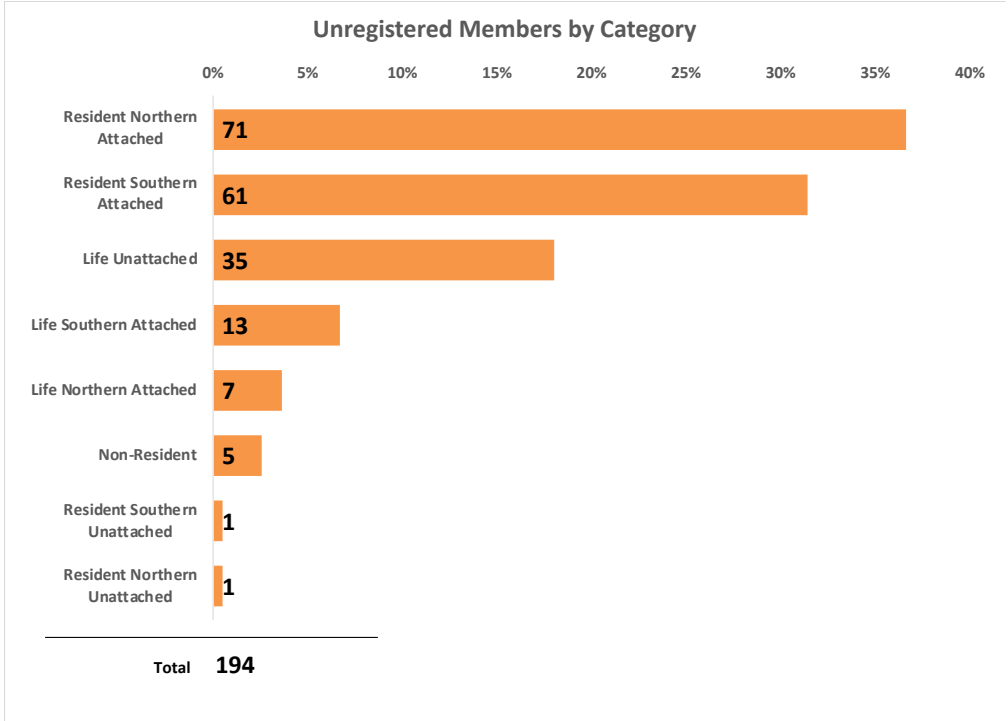

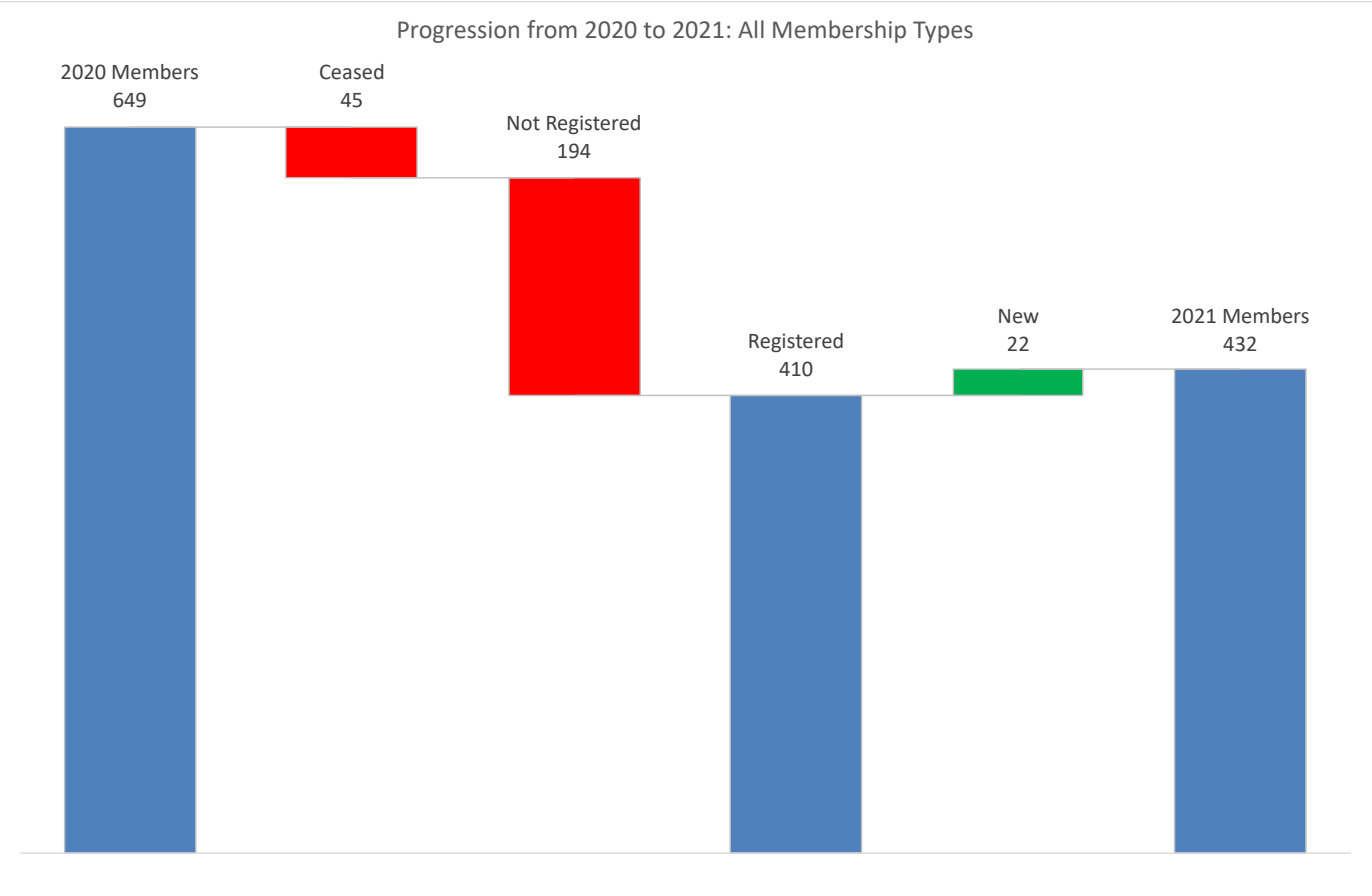

We need EVERYONE to register

- From 2022 MemberMojo will be our sole membership list
 - This will ensure GDPR compliance, and ease administration
- **We value every member and don't want to lose anyone**
 - **Neither resident, non-resident, life, unattached, etc.**
 - At year end, if we have to, we'll add remaining unregistered names to the list ourselves, but we'll have no contact details for them

**PLEASE encourage everyone to sign up
by visiting the home page, or seek help from
Sue Dixon, Dave Whitehead, Ann Beirne or John Coatsworth**

Registration Progress so far
