

## **THE NUMBERS CLUB**

**The Surrey Association BRF Numbers Club** operates as follows:

You pay £12 for a number, which entitles you to take part in 12 monthly draws, starting with the next month after your payment is received by the Administrator. You can purchase as many numbers as you like which will be allocated to you by the Administrator.

Of the money staked each month, 55% goes into the prize fund and 45% goes to the BRF.

Each month, at an Association meeting, two winning numbers are drawn.

The winners of the monthly draw each receive a prize of £25.

Half of what remains in the prize fund each month goes towards an enhanced quarterly prize, and half goes towards an annual mega-prize to be drawn at the Association AGM in May.

Winners' names, and the tower at which they ring, will be announced at the time of the draw and published by email to the email groups each month, in the newsletter, on the web site and in the Annual Report

To join, please fill in your details below and return the slip and your payment to the Administrator, who will send you your number or numbers together with a copy of the Rules and an indication of when you will first be in the draw.
